KEY PAST PERFORMANCE

- Healthcare IT
- Fraud Waste and Abuse Healthcare Claim Data
- Learning Management System
- Data Visualization and Reporting
- Network Engineering
- Cyber Security
- Cloud Migrations

PARTNERS

COMPANY OVERVIEW

Alliance Global Tech Inc. (AGT) is an SBA 8(a) certified small business and a Minority Business Enterprise (MBE). We are market leaders in providing innovative IT solutions, consulting services, software development, data management, data visualization, machine learning, and artificial intelligence within an Agile SAFe environment. We also ensure Section 508 compliance. Our CMMI Level 3 (SEV & DEV) and ISO certifications make us more prominent in the information technology (IT) industry. We are also leading for IT Computer and hardware peripherals to meet the needs of both government and commercial clients.
